Dear Parent/Guardian,

Assessment Plan for 2026

1. At Lianhua Primary, we are committed to developing our students holistically as passionate learners, critical and creative thinkers, confident communicators and exemplary leaders. Our teachers focus on helping our students develop learning dispositions for lifelong learning and strengthen their motivation to learn.
2. **Assessment** is an important part of our students' learning process and is **used to help them understand what they have achieved and what they should work on to improve their learning.** As our partners in your child's/ward's learning, we would like to provide you with information on the assessment plan for the year.
3. For Primary 3 students, Weighted Assessments (WA) will be conducted from Terms 1 to 3 and the End-of-Year Examinations (EYE) in Term 4. Please refer to the attached for details on the areas to be assessed for both academic and non-academic areas. **Do keep a copy of the assessment plan for future reference.** There will be termly letters to notify you of the dates and topics of the assessments. Your child/ward will receive his/her report book at the end of Term 2 and Term 4.
4. Do note that if a student is absent for any assessment, he/she is required to **submit a valid medical certificate/official document** to the form teacher.
5. Your child's/ward's learning progress will be shared with you during the Parent Teacher Meetings in the course of the year. More details about the Parent Teacher Meetings will be provided at a later date.
6. It is important to encourage your child/ward to **focus on learning and not on grades.** Do **affirm and encourage your child's/ward's effort and progress and help him/her cultivate good study habits such as completing assignments on time.** We hope you will use the information provided to partner us in guiding your child/ward towards better progress in his/her learning.
7. If you require further clarification, do contact your child's/ward's form teachers at 6563 9502.

Yours sincerely,

Mrs Mavis Low
