LIANHUA PRIMARY SCHOOL

Vision: Hearts of Service * Minds of Inquiry * Joy in Learning * Confidence in Life
Mission: Together we bring out the best in every child for a better nation.

Established in 1946

P6

Ref no.: 017/2026

Date: 23 January 2026

Dear Parent/Guardian,

Assessment Plan for 2026

1. At Lianhua Primary, we are committed to developing our students holistically as passionate learners, critical and creative thinkers, confident communicators and exemplary leaders. Our teachers focus on helping our students develop learning dispositions for lifelong learning and strengthen their motivation to learn.
2. **Assessment** is an important part of our students' learning process and is **used to help them understand what they have achieved and what they should work on to improve their learning.** As our partners in your child's/ward's learning, we would like to provide you with information on the assessment plan for the year.
3. Primary 6 students will be having their Non-Weighted Assessments (NWA) in Term 1 and 2, Preliminary Exams in Term 3 and finally, the PSLE in Term 4. Please refer to the attached for details on the areas to be assessed for both academic and non-academic areas. **Do keep a copy of the assessment plan for future reference.** There will be termly letters to notify you of the dates and topics of the assessments. Your child/ward will receive his/her report book at the end of Term 2 and at the start of Term 4.
4. Do note that if a student is absent for any assessment, he/she is required to **submit a valid medical certificate/official document** to the form teacher.
5. Your child's/ward's learning progress will be shared with you during the Parent Teacher Meetings in the course of the year. More details about the Parent Teacher Meetings will be provided at a later date.
6. It is important to **encourage your child/ward to focus on learning and not on grades.** Do **affirm and encourage your child's/ward's effort and progress and help him/her cultivate good study habits** such as completing assignments on time. We hope you will use the information provided to partner us in guiding your child/ward towards better progress in his/her learning.
7. If you require further clarification, do contact your child's/ward's form teachers at 6563 9502.

Yours sincerely,

Mrs Mavis Low
Vice-Principal

Endorsed by,

Ms Pamela Kiew
Principal
